Due to the low level of entries for classes B, C & D, all four classes were amalgamated. A wrong test is shown as "wt" and a non-attempt by "-". Two non-attempts resulted in a score equal to the fastest time plus 40 seconds.

Congratulations to Michael Weeks on another victory and very well done indeed to Kirsty Baulch for a superb result on her first ever event! A big thank you to all those who helped with assembling the necessary equipment, setting up the field, running the BBQ and marshalling on the tests. You made the event enjoyable and successful for all concerned. Many thanks,

Robert Pike - Clerk of the Course
